

In conjunction with the Hometown Teams: How Sports Shape America exhibit, Art Professor Victor Gomez will explain the various tools and techniques that photographers have used to capture sports action. After the presentation, Professor Gomez will provide all with a guided tour of the exhibit. Hometown Teams is part of Museum on Main Street, a collaboration between the Smithsonian Institution and the Florida Humanities Council. Seating is limited so please call 305-237-1450 or email AMA@mdc.edu to reserve a seat.
