

# What We Do

The Florida Humanities Council's work seeks to engage Floridians with humanities content that both stirs curiosity and affects people's everyday lives.

## Partnership Programs

In partnership with libraries, museums, and non-profit organizations across Florida, we sponsor and facilitate public programming that brings Floridians together and encourages local communities to participate directly with rich humanities themed content.

## Grants

Florida Humanities Council grants respond to the needs of local communities and address humanities topics of statewide interest. Grant-funded programs are designed to be collaborative, encourage active participation from the public, and explore humanities topics in unique ways.

## Special Initiatives

Our work on special initiatives aims to enhance public awareness of issues that are important to Floridians. Initiatives offer communities unique opportunities to engage in the work of the Council and change on a regular basis.
