

Speakers Program

Our Speaker Programming is Growing!

We're busy revamping our Speaker Directory to add new speakers and topics. We're also getting ready to launch a new program, Florida Talks, which will offer small awards for single one-off events. This program will be in addition to our existing Speaker Series program for those wanting to plan a longer lecture series. Stay tuned as we unveil these changes mid-March.

In the meantime, we encourage you to consider using our [speakers directory](#) in your Community Project Grants. [Click here](#) to find out more about our grant program.

Dr. Kitty Oliver, Professor, Florida Atlantic University

“Dr. Oliver was a very engaging speaker. She shared a view for the African American side that we all need to hear. Her lively spirit and mission were evident throughout her presentation.”
