

Who We Are

The Florida Humanities Council sponsors community based projects, facilitates important conversations among Floridians, and shines a spotlight on Florida's history, art, and culture. Established in 1971, we are an independent, nonprofit affiliate of the National Endowment for the Humanities. For over forty years we have developed and funded public programs that tell the stories of both Florida and those unique individuals that call this state their home.

Who we are? What we do? Watch this short video to learn more.
