Please write a brief summary highlighting your strengths and potential contributions to the Florida Humanities Board:

I publish a City Newsletter in four Pinellas Cities. These are magazines (32-40 pages). Every issue has a historical story on the cover. I personally research and write most of them. When I don't write them, I find experts who do. We have published over 300 newsletters in the past 14 years.

Please describe any experience you have had serving as a board member for any other organization. Indicate if you held any particular position on the board, or served on any board committee.

I created and ran the Indian Rocks Boat Club for 10 years (until recently). Active in two area Chambers (St Pete Beach and Clearwater Beach). Was on the Board and Executive Board of the CWB Chamber. Previously I was the President of the FPRA (Florida Public Relations Association, Tampa Bay Region).

BOB GRIFFIN

FLORIDA HUMANITIES COUNCIL

I am interested in serving on the board of the Florida Humanities Council.

For the past 14 years I have owned and published a Beach News Magazine in four area cities. All magazines focus on history—old and recent. A major story about history is on the cover of every issue.

I personally research and write most of these stories. We have produced over 300 similar newsletters in fourteen years—since 2005.

I will be retiring soon, and have the time to serve with you.
