

Florida Humanities CARES

IMPACT OF AWARDED GRANTS

AUGUST 2020

With the passage of the **Coronavirus Aid, Relief, and Economic Security (CARES)** Act, the National Endowment for the Humanities (NEH) received \$75 million to distribute to cultural institutions affected by the coronavirus.

Approximately 40 percent, or \$30 million, was entrusted to the 56 state and territorial humanities councils to grant to our communities.

As the statewide affiliate of the NEH, Florida Humanities is honored to grant **\$875,000 in emergency funds through "Florida Humanities CARES"** to cultural and heritage institutions across Florida. "Florida Humanities CARES" provided vital funding to 100 cultural organizations (depicted in map) to support general operating expenses, so they can continue to provide opportunities for our state's diverse communities to access and engage with public history, cultural heritage, and civic learning during this unprecedented time.
